Time Quest: Unlock the Past to Save the Future

"Time Quest" is an immersive journey through New Lanark's rich history, blending the excitement of a treasure trail with the challenges of an escape room. Participants will step into the shoes of Professor Amelia Swyft, a time-traveling explorer who has been stranded in the past due to a malfunctioning time machine. To help Professor Swyft return to the future, visitors must navigate through various locations in New Lanark, solving puzzles and collecting codes along the way.

An Unforgettable Family Experience

"Time Quest" is designed to be a memorable and educational adventure for the whole family. It offers a perfect blend of fun and learning, making history accessible and exciting for all ages. This unique experience not only brings the story of New Lanark to life but also provides an opportunity for families to create lasting memories together during the summer holidays.

Key Selling Points:

- An engaging activity for families to enjoy together.
- A mix of treasure trail and escape room elements for a truly immersive experience.
- A fun and interactive way to learn about New Lanark's historical significance.
- An opportunity to help Professor Amelia Swyft reset her time machine and return to the future.
- Affordable family-friendly pricing at £15 for groups of up to 5 people.
- Runs throughout the summer, making it perfect for holiday plans.

Quote from Heritage Officer, Lydia Housley:

"'Time Quest' is an innovative and exciting adventure that has something for everyone. Acting as Professor Amelia Swyft in the interactive trail, I was eager to guide our visitors through New Lanark's rich heritage in a way that's never been done before. This really is a one-of-a-kind experience!"
